42MM SINGLE/DOUBLE LINE SHUTTERS

42mm Single Line & Double Line Roller Shutters are Australia's most popular roller shutter solution and are made with an aluminium precision roll formed roller shutter profile. Suitable for many residential and light commercial applications, our 42mm Single Line & Double Line Roller Shutters provide protection in a wide range of applications such as domestic windows and doorways, light commercial shop fronts and windows, and counter tops/serveries. 42mm Single Line & Double Line Roller Shutters are an ideal way to help keep your home or business premises protected from intruders, heat, cold and noise.

Constructed with a foam filled profile, 42mm Single Line & Double Line Roller Shutters provide protection for window and door openings up to 3600mm wide.

At CW Shutters, we're committed to helping protect Australian homes and businesses!

42MM SINGLE/DOUBLE LINE BENEFITS

- High quality aluminium alloy construction.
- Foam filled profile for additional strength, protection and smooth operation.
- High quality painted finish.
- Smooth or double line grooved and curved face profile.
- Roll-tight design.
