55MM WIDESPAN ROLLER SHUTTERS

55mm Widespan Roller Shutters are ideal for widespan applications and are made with an aluminium precision roll formed roller shutter profile. Suitable for many widespan applications, our 55mm Widespan Roller Shutters provide protection in a wide range of residential and light commercial applications such as domestic windows and doorways, garage doors, shop fronts, factories and warehouses, restaurants, pharmacies, counter tops/ serveries and sports complexes. 55mm Widespan Roller Shutters are an ideal way to help keep your valuable home or business premises protected.

Constructed with a foam filled profile, 55mm Widespan Roller Shutters provide protection for window and door openings up to 4500mm wide.

At CW Shutters, we're committed to helping protect Australian homes and business premises!

55MM WIDESPAN BENEFITS
